

FA SERVICE MODEL

Everything you need is available through a smart monthly fee, which is based on the functionalities you have in use

Exploring your needs

Our experts work with you to find the best solution for your business. This phase ends in a mutual agreement and follows an implementation project.

System Implementation

To get started, our consultants help in setting up the platform for your business. You will be trained comprehensively for the system usage.

Customer Support

Now you are ready to use FA. Documentation is available online 24/7, and our team assists you with any questions during business hours. Included in the monthly fee.

Continuity

Our development team works hard to make FA even better and you will always get the latest software version. We organize seminars and meetups to educate, connect, and interact with you.
