# Medical Excellence

In Switzerland, renowned for its unparalleled medical infrastructure and pioneering research, lies the foundation of our journey. Since the inception of our Swiss Private Clinics Network in 2005, our commitment has been unwavering: to enrich the lives of our clients and accompany them on their journey to optimal health and well-being.

Our mission has always been to harness the collective expertise of Switzerland's leading doctors and scientists, crafting a network that serves as a beacon of excellence in medical care selection. We believe in the power of collaboration, pooling our competences, knowledge, and experiences to guide our international clientele in selecting the perfect specialists for their unique needs.

At the heart of our work lies a deep appreciation for human connection and cultural exchange. It is this passion for finding innovative solutions and creating meaningful relationships that has propelled us to expand our services beyond medical care.

Today, as Veltracon Lifestyle, we offer a holistic suite of services, ranging from bespoke travel planning to sourcing rare luxury products. Over the past two decades, we've evolved from mere advisors to trusted confidants, forming lasting friendships with our clients around the world.

Our journey is not just about providing exceptional service; it's about forging genuine bonds and making a positive impact on the lives of those we serve. And for that, we are incredibly proud.

# Global Protection in Uncertain Times

We find ourselves living in uncertain times marked by pandemics, new diseases, climate change, natural disasters, and geopolitical conflicts as well as civil unrest.

That's why we've observed a growing demand for a solution that offers not only the highest standard of medical care but also global accessibility, particularly during emergencies. Our mission is clear: to safeguard you and your family from all potential risks.

To fulfil this mission, we've curated an exclusive premium service designed to address any medical scenario with unparalleled expertise and efficiency. Whether it's a health crisis or the need for rapid evacuation or rescue, our comprehensive solution ensures that you and your loved ones are protected, no matter where in the world you may be.

Rest assured, with our specialized service, you can navigate through uncertain times with confidence, knowing that your well-being is our top priority. Trust us to provide you with peace of mind and security in the face of adversity.

# Transformative Medical Membership: Peace of Mind, Anytime, Anywhere

Our vision at Veltracon Medical is to offer a transformative service that not only changes lives but also saves them. With a Veltracon Medical Membership, you and your family gain unparalleled peace of mind and a robust sense of security, knowing that top-tier care is just a call or click away, no matter where you are in the world.

Our primary goal is to deliver not just a solution, but the ultimate solution for all your medical needs that will safeguard you and your family on a global scale. Through meticulous curation, our membership program encompasses a comprehensive range of medical services, spanning from urgent care to long-term treatment provided by esteemed experts.

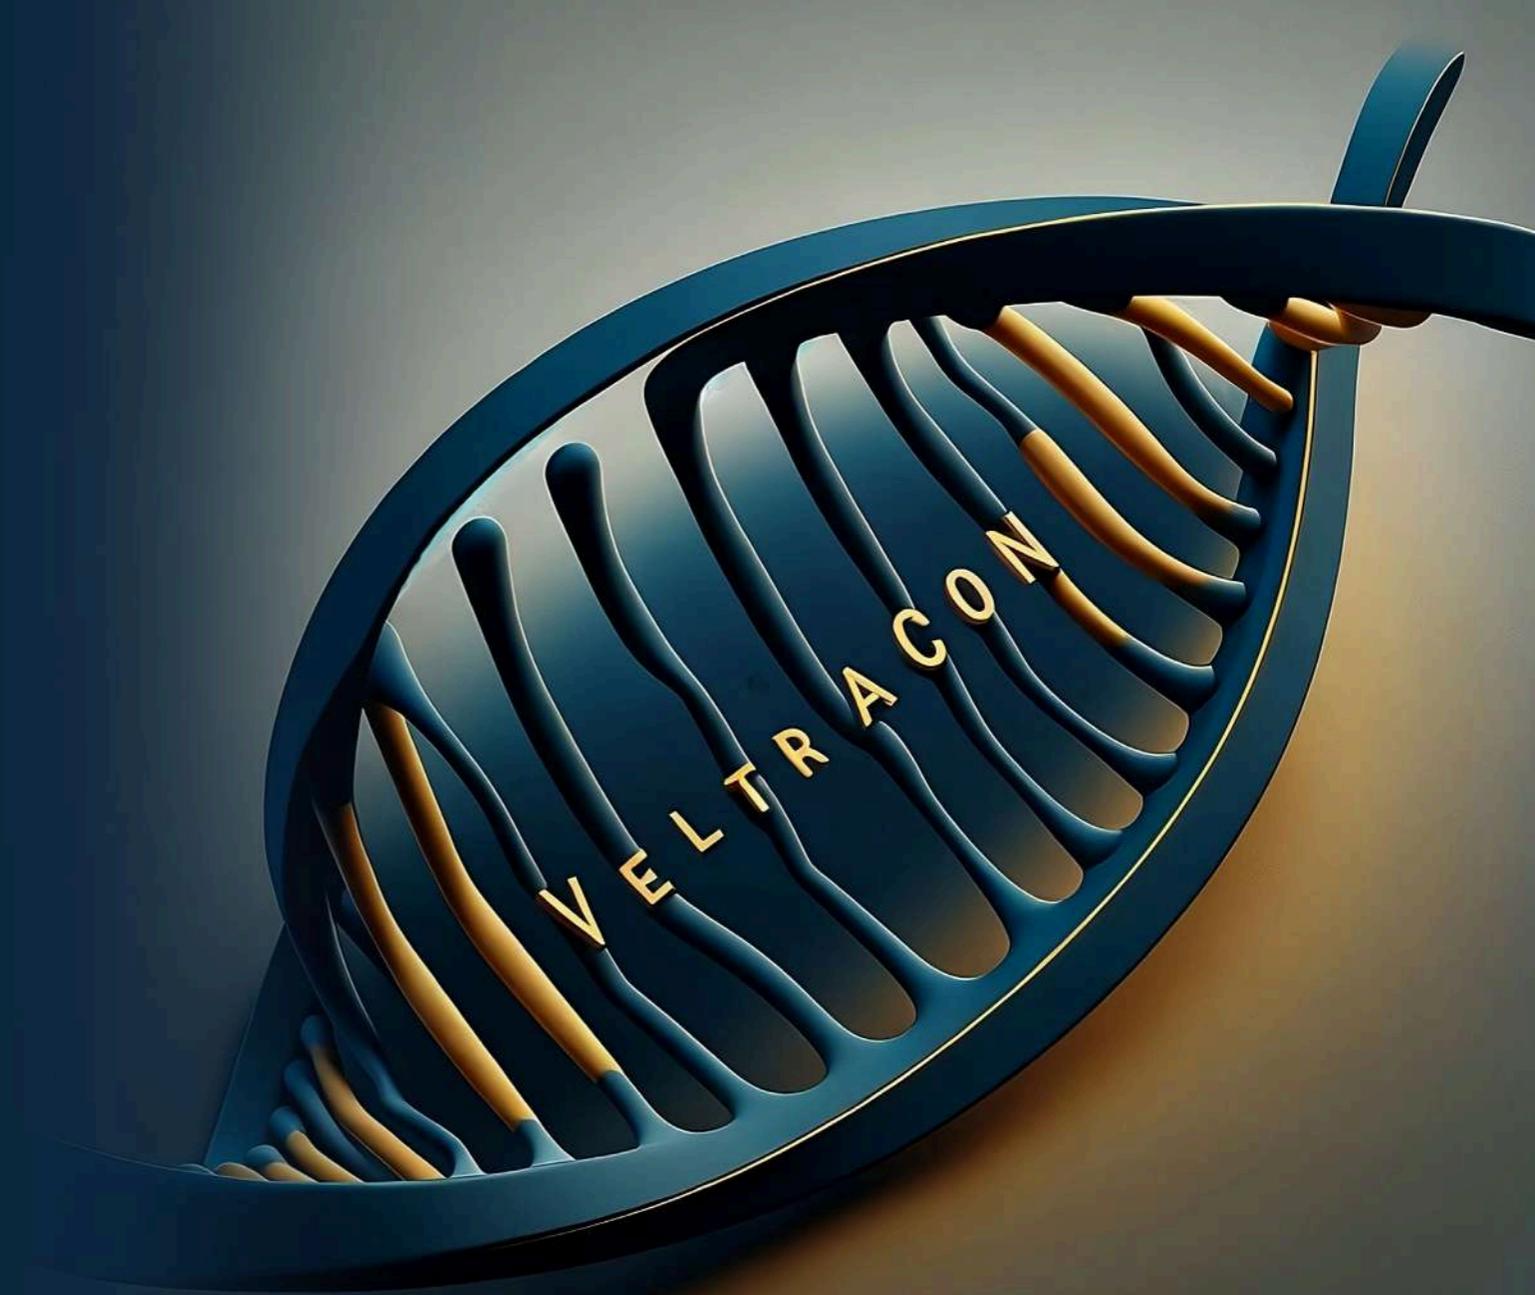

We are proud to assure our members that every conceivable medical scenario has been meticulously considered and can be expertly addressed through Veltracon Medical. Join us in prioritizing your well-being and ensuring your peace of mind in any situation.

# The DNA of Veltracon Medical

As we work with discerning clients and set the highest standards for ourselves and our service, we went on to build an exclusive solution that is:

- Available 24 hours a day, 7 days a week, 365 days a year
- Accessible from anywhere in the world
- A cooperation with expert partners that are time-tested and highly vetted
- Catering to the diversity of our clients and their needs
- Incorporating cutting-edge technology
- Of the highest possible standards to be consistent with our existing corporate ethos
- Offering a wide range of options for all kinds of medical scenarios and beyond

# 24/7 Medical Hotline

We provide you with unparalleled medical assistance and coordination for emergencies across the globe with local expertise and no language barrier.

## Key components:

- Medical Coordinators: Our multi-lingual operators coordinate resources & responses swiftly and give instructions on how to perform crucial first aid, while arranging an ambulance
- Emergency Doctors: At your disposal to give real-time diagnoses and medical advice
- Evacuation Teams: Deployment of teams for safe evacuation from hazardous situations
- Medical Repatriation: Facilitation of the return to your home or country of your choice for medical care when necessary

## When do you need the Medical Hotline?

You're on a business trip in Tokyo and get an acute toothache. Call our hotline and we'll arrange a fast appointment at a dental office from our trusted network.

You're on vacation at the Cote d'Azur and suffer from severe food poisoning. Our team will get you to the best hospital nearby.

**Whether you're at home or abroad, our Medical Hotline offers peace of mind, anytime, anywhere.**

# Stay Safe with our Emergency “Rescue Me” App

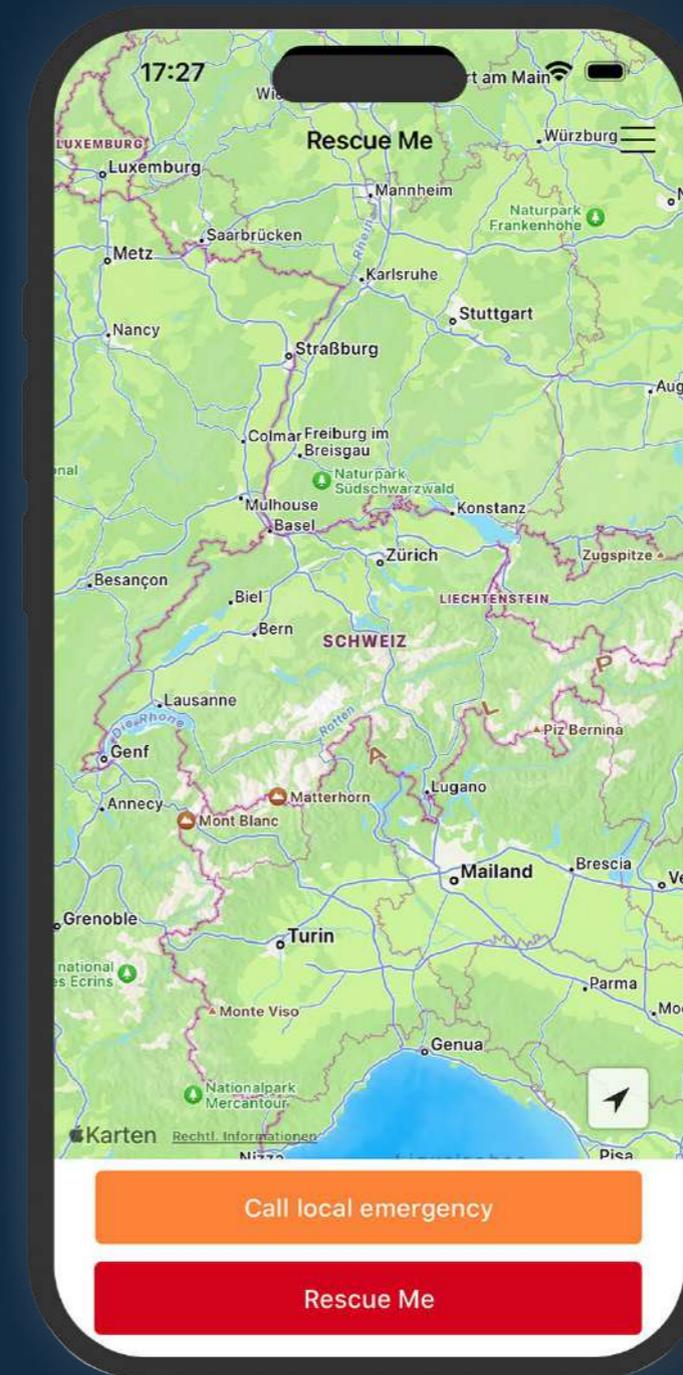

At Veltracon Medical, we prioritize your safety and well-being, and our Emergency “Rescue Me” App is the cornerstone of our commitment to your protection.

## Experience Peace of Mind with 3 Key Functions:

- Instant Access to Local Emergency Numbers: Connect with police, fire brigade, and ambulances with just a tap on your phone. Our app stays updated, based on your geo-localization, ensuring you have the right numbers at your fingertips when every second counts
- Rescue Signal for Rapid Response: In critical situations, our app becomes your lifeline. With a simple rescue signal, accompanied by your precise GPS coordinates, our rescue center swiftly mobilizes rescue teams to your exact location. With our app, help is just moments away
- Compatibility with Satellite Phones: For adventurers and explorers, our rescue service integrates as a pre-programmed function on your sat phone, ensuring assistance no matter where you roam on the planet

Imagine yourself, anywhere in the world, whether in a big city or off the beaten path. You don't know the local language, don't know your exact location and don't know the local emergency numbers but you need urgent assistance - then our rescue app is your best friend and saviour.

**We're here to empower you to explore with confidence, knowing that emergency care is always within reach.**

# Real-Time Travel Safety Reports

Since the best cure for any problem is prevention, we have curated the best sources of information for Medical and Travel Security.

Veltracon Medical offers you an application for your phone with the latest medical and security guides and updates based on your travel plans and current location.

You will receive real-time notifications for both medical and security-relevant events, to help protect you in advance as well as in the moment.

Discover the extraordinary capabilities of our Travel Safety App, empowering you to:

- Make educated travel decisions with expert information
- Get real-time notifications of outbreaks or disasters based on your geo-localisation
- Use our check-in function for yourself and family members to know you are safe

Upon request, our dedicated team will provide you with tailored travel safety reports meticulously created for your upcoming adventures.

If you plan any type of exotic trips or extravagant expeditions, it is vital to coordinate with your Veltracon Medical team in advance, in order to make educated decisions and to be sure that the best emergency solutions are in place if needed.

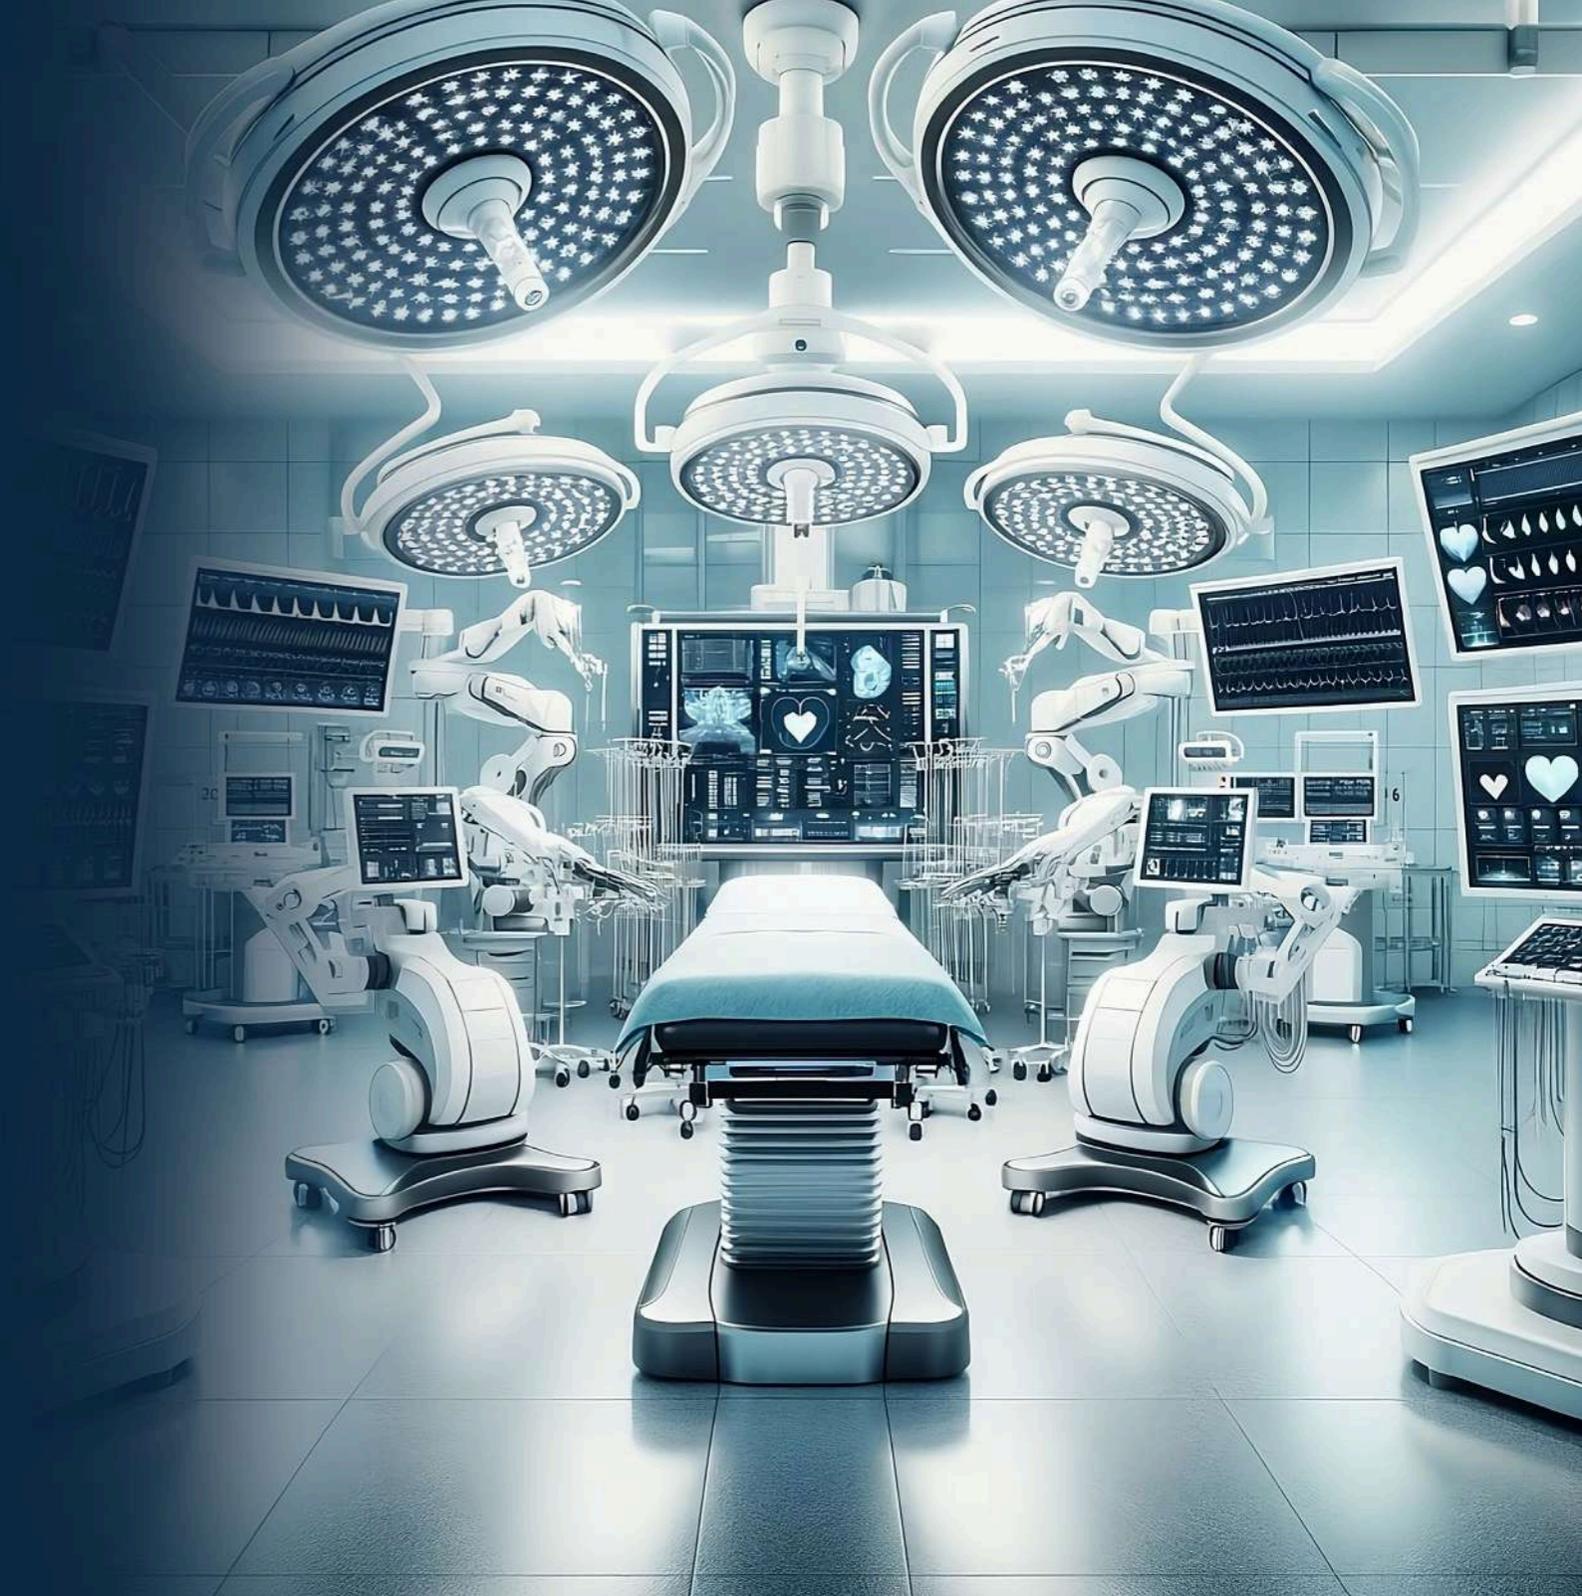

# Swiss Private Medical Care

Switzerland stands at the pinnacle of excellence in global healthcare, renowned for its exceptional medical infrastructure, cutting-edge private clinics, and esteemed medical professionals.

At Veltracon, we recognize the unparalleled quality of Swiss healthcare and therefore Swiss Private Medical Care holds a central position in our offerings.

Through this integral component, our members gain preferred access to expedited solutions within our premium network of experts and clinics across Switzerland.

- You'll benefit from preventive health check-ups, prompt diagnoses, technologically-advanced surgeries, innovative treatments, and comprehensive long-term care
- Your membership guarantees exclusive access to world-class healthcare and fast track appointments, prioritizing your well-being and fostering optimal health outcomes

# Global Medical Network

Our membership is not only designed for emergency situations but also offers you the highest standard of routine or specialized care.

## As our member you'll enjoy:

- Access to our meticulously curated global network of preferred medical experts anywhere in the world
- Expert guidance and assistance available at your fingertips for the best medical experience
- From routine check-ups to ongoing treatment, you'll benefit from a range of services designed to cater to your every healthcare need
- Receiving treatment from the finest medical specialists at your residence or a location of your choice

Our dedicated team ensures your health and well-being are prioritized at all times.

# Holistic Health & Longevity Strategy

Your health is your greatest asset and your longevity is part of our goals at Veltracon Medical. Simply put, we want our members to live as long as possible and to their fullest potential.

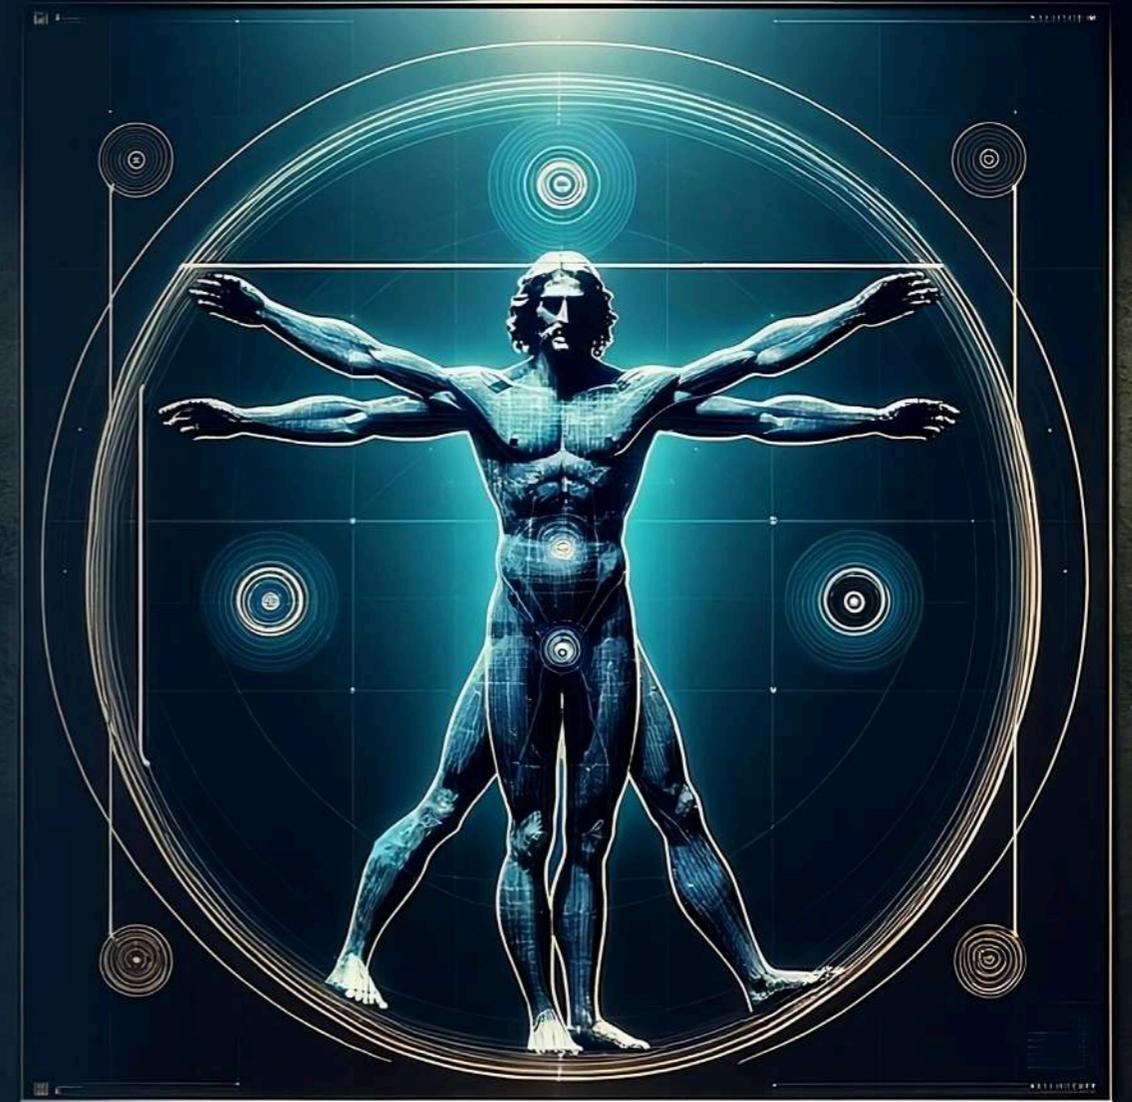

That's why we have made it part of our membership to support you and provide you with comprehensive diagnostics, annual check-ups and expert advice, all geared towards the ambition of growing as old as possible.

As our member, you will regularly receive tailored prevention strategies and treatment plans. These plans are customized to fit your unique health profile, taking into account your medical history, current health status, lifestyle, and genetic predispositions.

The primary goal of these personalized plans is to identify and address the potential root causes of any health issues you may be facing or could face in the future.

Moreover, your plans will be updated regularly to reflect any changes in your health or advances in medical research, ensuring that you are always receiving the most current and effective care.

This strategy empowers you to take control of your health journey and pursue a life of longevity and well-being.

# Telemedicine

Veltracon Medical acknowledges the important role of technology in improving your access to premium healthcare wherever you may be.

Telemedicine is serving as a gateway to immediate expert medical advice or ongoing support.

## As part of our membership you'll benefit from the following:

- Convenient video calls with Swiss and German doctors, enabling expert diagnoses, treatment options and prescription services
- Elimination of lengthy waiting times, ensuring prompt medical assistance
- Redefining traditional medical practice boundaries through innovative, technological approaches

# Second Opinions

Our Medical Second Opinion Network, designed with your utmost comfort in mind, alleviates the uncertainty that often accompanies medical diagnoses from a single source.

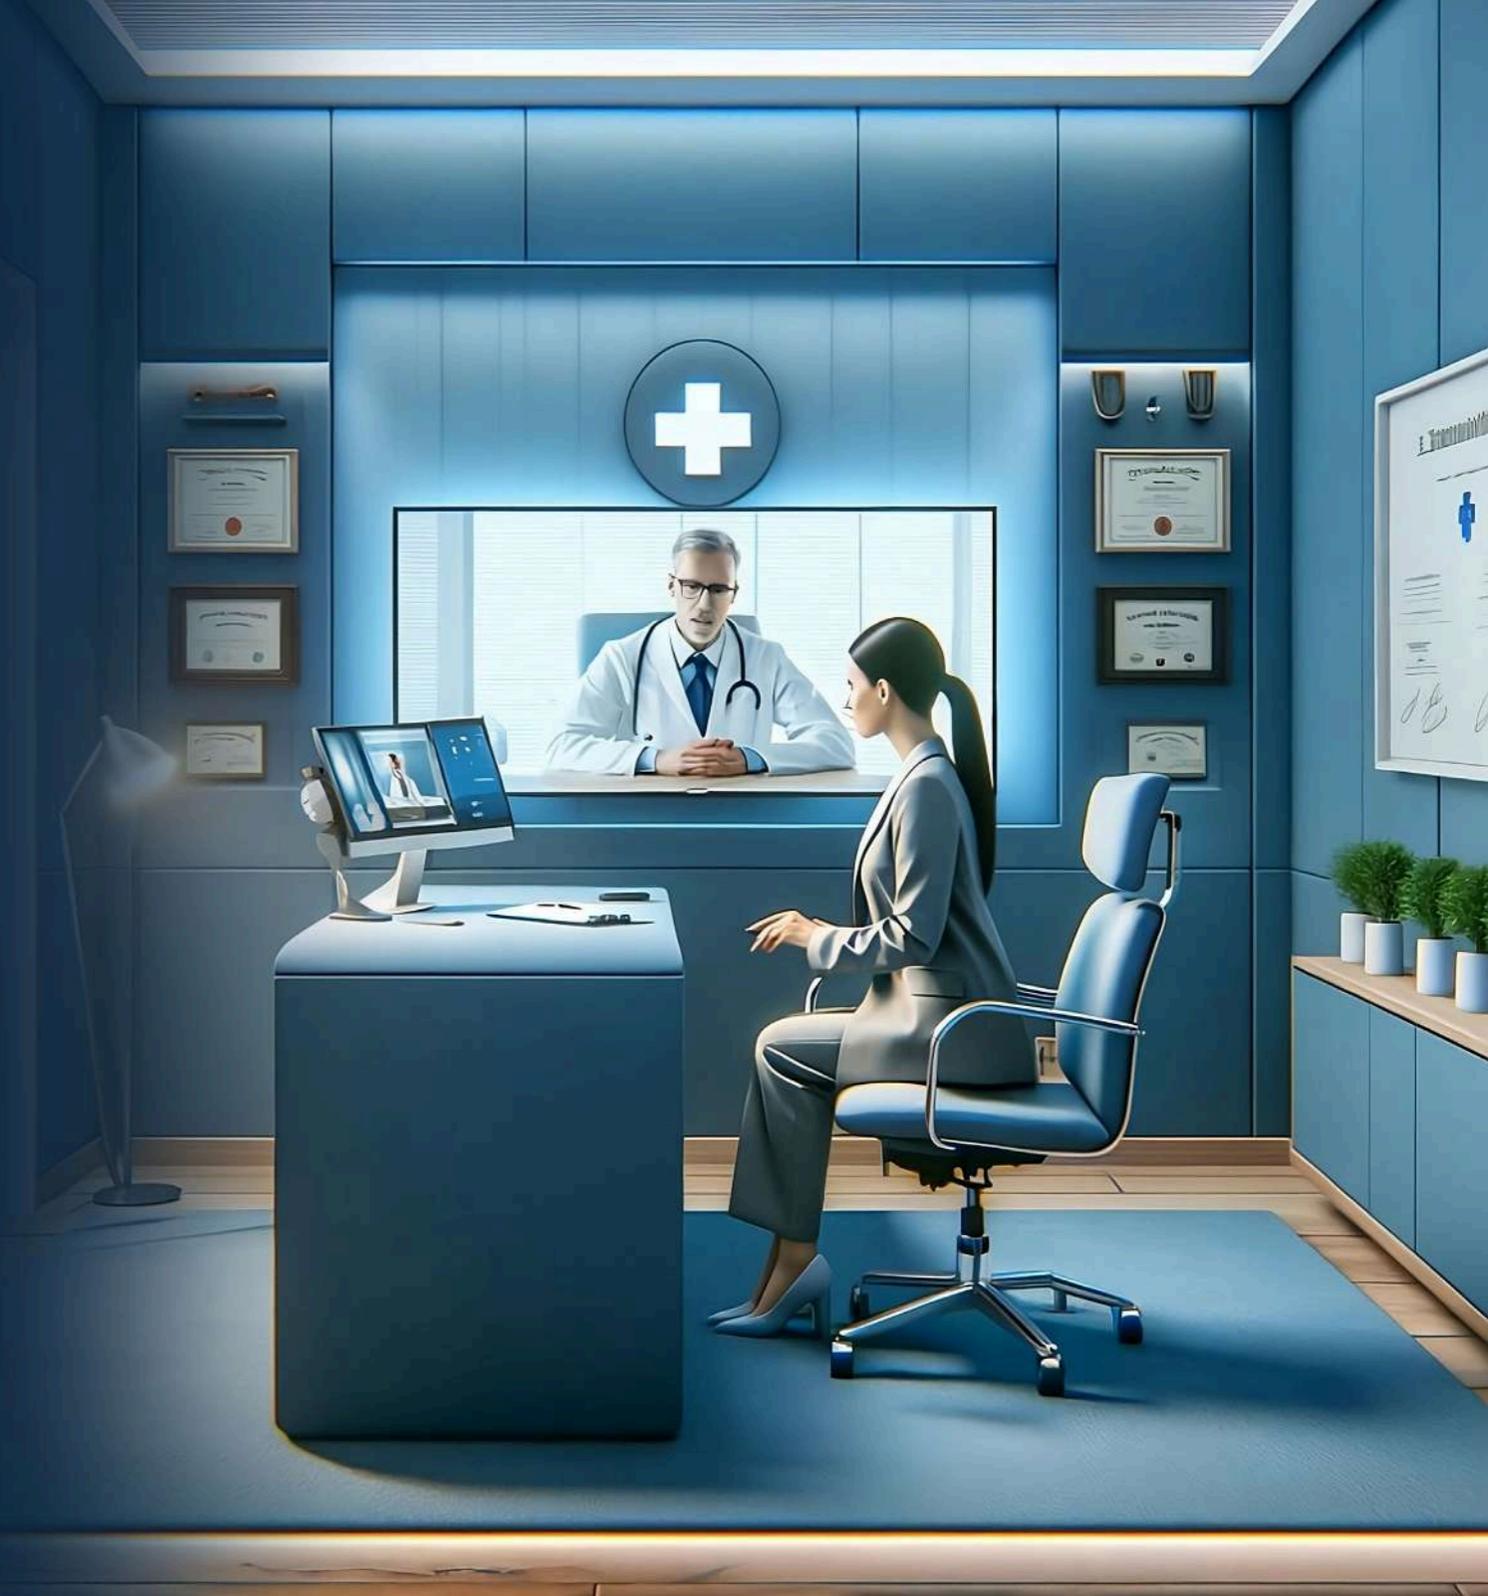

With this service, you'll gain unparalleled access to our global network of specialist doctors affiliated with the world's leading medical institutions, recognized for their pioneering research, cutting-edge therapies, and outstanding clinical outcomes.

This includes institutions like Harvard and Yale University, who are at the forefront of medical innovation, providing you with insight that can significantly impact your medical care.

Through your membership, you can obtain a second opinion that may confirm or revise an initial medical diagnosis, ensuring that you are on the most effective treatment path.

This access not only opens doors to the latest advancements in medical science but also provides peace of mind by connecting you with experts who are at the apex of their field.

Leveraging this network means you are guided towards the best available treatment options, tailored to your unique health needs.

# Private Medical Infrastructure

At Veltracon Medical, we're dedicated to transcending traditional healthcare boundaries and offer bespoke medical solutions even in the most remote places.

We cater to the unique needs of our members, no matter where they are. Your membership gives you access to:

- Comprehensive assessments to establish medical infrastructure in remote locations like private estates, chalets or private islands
- Strategic sourcing and setup of medical infrastructures to create peace of mind and ease of treatment
- Ensuring the best possible treatment solutions are in place for you and your family, regardless of your geographical location. This can be particularly significant for our members with pre-existing medical conditions in need of continuous care

With the right infrastructure in place, dispatched doctors can intervene more effectively and ultimately save invaluable time and possibly saving lives in emergency situations.

# In the Air or at Sea

At Veltracon Medical, we understand the unique demands of your yachting and aviation ventures, and we are committed to delivering bespoke medical solutions for you:

- As a member, you will receive expert advice on essential medical equipment for your vessel and aircraft
- Training programs are available for your crew members, empowering them to respond swiftly and effectively in emergencies
- Our dedicated team is standing by, ready to guide your crews through any medical emergencies in real-time
- We are here to coordinate swift medical rescue operations by land, air or sea, as effectively as possible to save lives

We prioritise your health and support your readiness to handle any medical emergency that may arise during your journeys, offering peace of mind and confidence in your safety at sea or in the skies.

# Lifestyle Services

To complement our range of solutions, your membership entails Lifestyle Services, unlocking access to the world's finest luxuries and dedicated to simplifying your life.

Looking back at a decade of successfully serving our clients from around the world, we are confident that all your needs will be met completely and with ease.

The extent of this service is entirely up to you when selecting your membership package, ranging from a concierge service hotline to your own, dedicated lifestyle manager.

Disclaimer: Veltracon Medical is a brand of Veltracon Lifestyle AG. The company provides access to a network of medical professionals and emergency assistance services worldwide. Our services are designed to offer support and facilitate access to medical care; however, our company does not directly provide medical treatment. We are not a healthcare provider. The medical professionals within our network operate independently, and our company is not responsible for any medical advice or treatment they provide. Our role is to assist in coordinating access to medical services and support our clients in emergency situations. It is the responsibility of the individual to evaluate the suitability and credentials of medical professionals and services. Our company shall not be liable for any damages, injuries, or outcomes resulting from the medical advice or treatment received through our network. Clients are encouraged to consult with their primary healthcare provider before seeking any medical treatment. Membership with our company does not substitute for comprehensive health insurance nor guarantees specific outcomes from medical treatments. Use of the Veltracon Medical services signifies acknowledgment of this disclaimer and agreement to its terms. The client agrees that this Agreement will be governed by and construed by the laws of Switzerland, and the parties hereby irrevocably submit to the exclusive jurisdiction of the Court of Switzerland.
