

An integrated performance reporting and general ledger technology...

*finally empowers families to make
better investment decisions.*

Post the 2008 global financial crisis wealth has increasingly become more complex and families are **forced to depend** on multiple sources to bring together a **“complete picture”** of their wealth.

Existing platforms are reporting *only* tools built for institutions & advisors.

They do not address the needs of families looking for the **complete picture.**

Empowering families and their trusted advisors to make **better** investment decisions.

■ AV GL + Performance

We help families with **complex wealth** run their family office like they would their business.

■ AV GL + Performance

By doing performance reporting **inside** the general ledger.

Because reporting outside the GL creates a misleading view of net worth.

300+

families with complex wealth trust AV for their performance reporting and general ledger platform.

■ AV GL + Performance

Our accounting and reporting platform leaves no asset behind.

We create actionable views of family wealth across all asset classes, liquid and illiquid..

“AV’s platform is the workhorse solution that anchors our family office. As our portfolio diversifies and ownership structures change, we leverage AV to secure the advantages of transparency.”

AIP ANALYZING INVESTMENT PERFORMANCE
For Family Office Professionals

The screenshot shows the homepage of the Family Office 4.0 website. At the top left is the logo 'FAMILY OFFICE 4.0'. To its right are navigation links: 'Family Office Handbook', 'Education', 'Insights', and 'Technology'. A blue button labeled 'GET THE HANDBOOK' is positioned on the right. The main heading reads 'Welcome to Family Office 4.0 - the most comprehensive resource for best practices, novel insights & continuing education.' Below this is a sub-heading 'A revolution in investment visibility' followed by four image-based cards: 'Family Office Handbook', 'AIP' (Analyzing Investment Performance), an iceberg graphic, and a data visualization chart.

This flyer promotes the Analyzing Investment Performance (AIP) program. It features the AIP logo and the LeBow College of Business logo. The main text states: 'A program for family office professionals by the industry's best'. Below this, it describes the program as a digital course developed in accordance with AICPA guidelines, delivered by faculty from Drexel University. Key details include: 'This fall, we are bringing the AIP program to you digitally on the 13th & 18th September 2020', 'PLACE: Virtual interactive sessions', 'CPE CREDITS: up to 15 CPE credits', and 'Register before 9th August 2020 for a discount'. An 'EARLY BIRD PRICE' of \$999-\$599 is also listed. The flyer is powered by ASSET VANTAGE and includes the website www.assetvantage.com/aip.

The cover of the 'Family Office Handbook' features a dark background with the title 'Family Office Handbook' in white. Below the title is the tagline 'Run your Family Office like a business.' At the bottom, it is noted as being 'Powered by ASSET VANTAGE'.

This grid displays various content pieces from the Family Office 4.0 platform. It includes a 'Family Office Handbook' icon, a 'Diversity in Wealth' article with an image of a globe, a 'Bring Back the Ball!' article with a clock icon, and a 'Your goals are distinctive' article with a pencil icon. Each item has a small thumbnail image and a brief text snippet.
